

The Guardian (blog)Beyond Bollywood: where India's biggest movie hits really come fromThe Guardian (blog)It is a common misconception that the Hindi-language, Mumbai-based film industry – known as Bollywood – is India's national cinema. The numbers tell a different story. India produces an astonishing 1,900 films a year on average, of which Hindi-language ...12 Bollywood Actresses Who Dabbled With South Indian FilmsiDiva.comBREAKING: Baahubali 3 in the planning stageBollywood HungamaPrabhas to romance Katrina Kaif in Saaho?Bollywood LifeTopYaps -The New Indian Express -Gultelos 188 artículos informativos »
